Customer hereby agrees to assume responsibility and liability for any act or omission on the part of any Third Party Service Provider that would give rise to liability under this Agreement or constitute a breach of this Agreement as if Customer has performed the act or omission itself. For avoidance of doubt, any use of the Product or any cell line or organism generated using the Product by a Third Party Service Provider that is not for or on behalf of Customer is strictly prohibited and will be considered use in violation of the restrictions set forth in this Section 2 and will be considered an act or omission for which Customer is liable.

Customer acknowledges Demeetra's rights in the Intellectual Property. Customer hereby expressly assumes full responsibility for any claims or liabilities which may arise as a result of its or its Third Party Service Provider's use or possession of the Product. Demeetra shall notify Customer promptly of Demeetra's receipt of notice of any claim for which indemnification may be sought. Notwithstanding the foregoing, the failure to give notice shall not impact Demeetra's right to indemnity. Customer shall have the right, but not the obligation, to control the defense of any claim for which Demeetra is seeking indemnification, provided that Customer will not settle any such claim without Demeetra's prior written consent unless such settlement fully releases Demeetra.

Customer may not assign this Agreement without the prior written consent of Demeetra, but Demeetra may assign or transfer this Agreement, in whole or in part, without consent. Any assignment in violation of this Agreement shall be of no power or effect. If any provision in this Agreement is invalid or unenforceable, that provision shall be construed, limited, modified or, if necessary, severed, to the extent necessary, to eliminate its invalidity or unenforceability, and the other provisions of this Agreement shall remain in full force and effect. No waiver of any right under this Agreement shall be deemed effective unless contained in writing signed by a duly authorized representative of the party against which the waiver is sought to be enforced, and no waiver of any past or present right arising from any breach or failure to perform shall be deemed to be a waiver of any future right arising under this Agreement.
